

RakuMania

Create & Fire Workshop (2 days)

A group workshop over two separate one day sessions where you hand-build and then fire your pieces

Session 1

This one day session, you will learn about basic slip casting and the skills of hand-building using slabs, coils, cones and pinch pots. Bring along your own ideas and have fun making up to 6 items.

All Raku clay, materials, tools and instruction provided.

Feel the heat
See the flames
Experience the thrill

Session 2

On this second day, you will be shown the various methods to decorate and glaze your creations. The morning will be spent glazing each of your pieces.

After lunch, we will fire up the kiln and create the magic. Your creations will be fired and we will teach you to finish them.
