

RakuMania

Kiln Building Workshop (2 days)

Make and take home your own Raku kiln and everything you will need to fire it (ex gas cylinder)

Over the two days, you will make your own Raku kiln under the guidence of the RakuMania team (you can also bring someone to help you if you like). We will then on day 2 teach you in pairs how to operate it and get the best firing results.

Everything is provided just bring a packed lunch or things for the BBQ and some pots for the firings.

Raku mania

Feel the heat
See the flames
Experience the thrill
