Venue

Llanddowror, St Clears, Carmarthen, SA33 4HH

On the day, you'll start with a studio tour, a safety briefing, a history of Raku pottery and an explanation of how we create the finishes on our pots. Everything (Pots, Glazes, Kilns & safety equipment) is provided for you to make some unique Raku pots. You will get a couple of pots which are ready for decorating and glazing and with our help, you will decide what you'd like to do with them.
We'll take you through the whole process step-by-step and you'll take part in an unforgettable experience and have some finished beautiful pots to take home with you at the end of the day as a memento.
